

Successful Gardening - 2019 North Dakota Tour -

Nurseryman and author Eric Bergeson is traveling to 50 of the largest cities in North Dakota (plus Zap) to promote good gardening, tree planting and fruit growing practices for the harsh climate and alkaline soils of the Northern Prairie!

Eric's book Successful Gardening on the Northern Prairie is in its 3rd printing and has sold over 13,000 copies.

**Stanley, June 22, 2 p.m.
